

# **Electricity**

**D**

D G D  
You can't see 'Lec-etricity when it's moving down the line

D A  
How in the world can you doubt it when you can see it shine

D G D  
Now when you seek salvation, its current you will feel

D A D  
You won't need nobody, to tell you that it's real

D G D  
This old-time salvation that He gave to me and you

D A  
I'm feasting on a mountain like Jesus told me to

D G D  
I'm drinking from God's fountain that runs from up on high

D A D  
And I'm feasting on God's mountain where God's fountain don't run dry

D G D  
Some people don't know good music when they hear it in the air

D A  
Some people they don't know their God when they kneel down in prayer

D G D  
Well let me tell you something, and I ain't a-gonna tell you wrong

D A D  
When you get salvation you'll know it by its tone

D G D  
Some people don't believe in religion, they think it's all a fake

D A  
But it's as real good people, as eating a T-bone steak

D G D  
It's as sweet as any honey, that any bee could make

D A D  
With the good old sugar molasses and a great big chocolate cake.

Repeat 1st verse.
