Delivered Jonah from the belly of the whale

A

D

Give me that old time religion that's for me

D

I won't go to a burnin' hell

If I believe in what the bible tells

G

I'll conquer that old devil if I pray

D

To a lowdown thief a cheater and a liar

A

G

D

I have a promise from God above

The one who gave me this book of love

G

Says he'll never leave me or forsake me

D

And when the devil's at my back door

I'll raise my hand and kneel on the floor

A

D

I pray that the Lord will lead me through
