A. P. Carter

Key of Bb

**Bb**                      **Eb**                      **Bb**  
There's a dark and a troubled side of life  
**Bb**                      **F**  
But there's a bright and a sunny side too  
**F**                      **Bb**  
Though you meet with the darkness and strife  
**F**                      **Bb**  
The sunny side you also may view

**Bb**                      **Eb**                      **Bb**  
Keep on the sunny side, always on the sunny side  
**Bb**                      **F**  
Keep on the sunny side of life  
**Bb**                      **Eb**                      **Bb**  
It will help us every day, it will brighten all the way  
**Bb**    **Eb**            **Bb**    **F**            **Bb**  
If we'll keep on the sunny side of life

**Bb**                      **Eb**                      **Bb**  
Though the storm and its furies rage today  
**Bb**                      **F**  
Crushing hope that we cherish so dear  
**F**                      **Bb**  
The cloud and storm will in time pass away  
**F**                      **Bb**  
And the sun again will shine bright and clear

**Bb**                      **Eb**                      **Bb**  
Let us greet with a song of hope each day  
**Bb**                      **F**  
Though the moment be cloudy or fair  
**F**                      **Bb**  
And let us trust in our Savior always  
**F**                      **Bb**  
He'll keep us everyone in His care
